2. We were sorry that [REDACTED] illness prevented his presence during [REDACTED]. However, the MTB instruction presented by [REDACTED], following in general the suggestions as to topic made in [REDACTED] memorandum to you of 28 May 1953, was very well received by our students and we should like substantially the same coverage for [REDACTED] No. 3.

3. It will not be necessary for MTB personnel to stay over for the Maritime Problem, scheduled for the night of 28 September, since the lack of elaborate gear obviates the necessity for their special skills.

4. Please let me know as soon as convenient if your people will be available for this instruction at the times and on the date indicated in paragraph 1.
